Juan Carlos: Hey everybody, good morning. I made a couple comments on the whole PD thing. I wanted to explain my comment about homeless encampments near my area and having PD involved. Not saying anything against all officers, but just want to add that there should be some sort of enforcement going on, but doesn't have to be with PD.

4. Next Steps (3 minutes)

The Task Force will discuss next steps.

Wisa: Based on today's conversation, we will have one final meeting on Wednesday June 17 from 1-2:30pm to solidify and approve our Task Force recommendations. I hope that the D3 Staff will be able to make the amendments for our review prior to that meeting. Currently, our respective committees are not scheduled to meet again, except for Arts and Special Events, we will be meeting Monday at 9 am. I suggest that you contact your D3 liaison immediately if you feel your respective committees need to meet once more.

5. Adjournment

Cache: Thank you to everyone who participated today and the next meeting will be next and the final meeting will be Wednesday June 17, 2020 from 1pm to 2:30pm. Stay safe and healthy. Meeting adjourned.
